

Code of Conduct

Domesticorp provides Maintenance and Civil Construction services to both corporate and Domestic Customers. We at Domesticorp are committed to creating a reputable, honest, quality based working environment to its staff and customers while undertaking its customer's works and provide a safe environment for both its staff, customers and site visitors.

Domesticorp staff will conduct themselves in a professional manor at all times by:

- Ensuring a safe and healthy work environment which does not place self, co-workers its customers or other site visitors at risk
- Representing Domesticorp with honesty
- Acting fairly and with integrity
- Respecting the rights and views of others including different values, beliefs, cultures and religions
- Working efficiently and diligently
- Observing legal requirements and acting within the law
- Following appropriate industrial legal obligations

This Code applies to all Domesticorp staff and representatives while conducting activities with or for Domesticorp's customers.
